DESIGN PARTNER · COHORT CLOSED

COHORT CLOSED FOR THIS ROUND

Thanks for applying.

Hi Aarav — we're not able to bring you into the design partner cohort this round.

The current cohort is sized for a tight feedback loop, and we're prioritising a few specific sectors this quarter.

Your **free intelligence inbox** stays active — you'll continue to get the daily summary. We open a new design partner round each quarter; please reapply if you're still interested.
